

Product Safety Certificate

Company hereby represent, warrant and certify to The Occasions Group, Inc., including its divisions and subsidiaries (“TOG”), that no material change in the method of manufacturing, raw materials, or vendors has occurred within the past twelve (12) months for the item number(s)/SKU(s) listed below. In the event a material change in methods of manufacturing, raw materials and/or vendors does occur, Company will notify TOG in writing prior to shipping to TOG any product or article that is subject to such material change. Company understands and recognizes that TOG will suffer substantial damage in the event such notification is not provided immediately and as such, Company hereby agrees to indemnify, defend and hold harmless TOG, its parent, and their officers, directors, employees, agents, and representatives, from and against any third party claims, losses, liabilities, costs, expenses or damages, including reasonable attorney’s fees, incurred as a result of breach of this Certification or pertaining in whole or in part to any allegation that the products or articles listed below do not comply with applicable laws, rules, and regulations. Company expressly agrees that the representations, warranties, certification and indemnification contained herein are in addition to and not in lieu of any other representations, warranties, certifications and/or indemnification agreed upon between the parties in writing. In the event of a conflict between the representations, warranties, certification and indemnification contained herein and those contained within another written agreement between the parties, those contained herein shall control.
